The British Council proudly introduces our top quality English courses

- **Academic quality:** our expert teachers with high teaching and academic experiences, closely engaging with each student
- **Material quality:** exclusive curriculum with magazine-style content and project-based activities specifically designed to match with Vietnamese children's language development
- **Outcome quality:** students make real progress, speak more confidently and improve their core life skills (critical thinking and problem solving, leadership, communication and collaboration, digital literacy, etc.)
- **Teaching quality:** 100% English environment, following our method of engaging learning to help student build up their language reflex and ignite their passion for studying and exploring
