- **What is expected of me as a GREAT scholar?**

We welcome applications from students who are committed to their studies and who will be able to benefit from studying a postgraduate course at a UK university. We encourage you to apply if you can demonstrate your interest in your chosen subject, through examples of your work or academic experience.

We expect GREAT scholars to attend lectures and tutorials (whether online or in-person, as circumstances allow) and engage with extra-curricular activities. We want you to act as an ambassador for UK higher education by sharing your experiences and promoting the value of studying at a UK university. You may also be asked to attend a networking event with other scholars, to discuss experiences so we can capture perceptions of studying in the UK.

After your studies, we expect you to maintain contact with the British Council and act as an ambassador for GREAT scholarships, by sharing your experiences with future scholars and encouraging others to apply.
