The content of this course is the same as our regular part-time Intermediate IELTS course. Check with your teacher or the customer service team to find out whether this course is suitable for you.

What level of English should I be?

This course is specifically designed to help students who already have an Intermediate and above level of English.

What is covered in the course?

The course is aimed at the Academic module of the IELTS test. The course aims to familiarise students with the IELTS test format and question types. Intensive IELTS courses focus on essential vocabulary and familiarity with the academic language contained in the IELTS test.
